Before the sermon our pastor will dismiss 1st - 3rd graders for Covenant Kids and an approved volunteer will lead them to their class from the the back of the church. Children ages 4th-5th will check-in and remain with their parents for the duration of the first worship service. They will join the children on the playground at 10:45am for games and Sunday school.

Second Service - At 10:45 children 6 weeks - 5 years will can remain in care behind the white gate and will enjoy a second Bible story, playtime and a healthy snack. Children ages Kinder - 5th Grade will play volunteer directed games, enjoy a healthy snack and learn what God's Word has to say in the book of Proverbs. For New Mothers

The sounds children make in church are sounds of the kingdom! These sounds are most welcome in our worship serve! You are more than welcome to remain with your little ones in our sanctuary throughout our worship service. If you have need The Respite Room is available for nursing and infant care. When you enter the sanctuary you will notice a staircase on your right. Just up those stairs past the balcony seating you will find The Respite Room.
