

Dear Parents & Caregivers,

Hi! I'm Kristen. Wife of Aaron and Mama of Liv & Judah! We recently relocated to Surfside from Chicago and we are LOVING the Grand Strand!

I am so glad you are here and I'm confident that you will find hospitality, coffee and meaningful connections with other adults during your visit with us. While your child is cared for you will be able to worship in our church service and attend an adult class where you will get to know and build community with other adults in the church. We are so excited to offer a new class for families at our llam service. Come check it out!

At Surfside PCA you will meet other parents who are totally familiar with the 'wins' and struggles of parenting. You will find parents in every life-stage: from diapers to college admissions, from newlyweds to grandparents. It is our hope that together we will navigate these little years with hope and grace for ourselves and one another because of the grace God offered us in Jesus Christ!

We believe our main role at **Surfside KIDS** is to support you, the parent, as you love, lead and teach your children. This is why we are committed to providing excellent care and trained volunteers so that you can worship and learn with a clear head and heart. All we ask is that you walk through the doors, every time they are open, JUST as you are. We know you will leave strengthened for the days ahead.

Feel free to reach out via phone, text or email if you have any questions or just wanna connect and say 'hi'!

Sincerely,

Kristen Hann
