

## **Safety & Security Overview**

The safety of your children and our volunteers is our top priority. We allow only approved volunteers in the **Surfside KIDS** area. If you would like to pop in and visit your child while they are in our care the Director of Women's & Children's Ministry or the Nursery Coordinator would love to take you to their classroom. This policy is in place for the safety of our **Surfside KIDS** and our volunteers.

## **Check-in & Check-out**

Check-in: All children, 0 - 5th grade, Check-In upon arrival at SPC. Our electronic Check-In system helps us keep track of all children on site. We ask you Check-In all children 6 weeks - 5th grade even if your family is planning to worship together for the duration of your visit.

Check-out 6 weeks - Kindergarten: Children in this age group are cared for downstairs and will be checked-out just past the white preschool gate.

Check-out 1st - 5th Grade: Children in this age group will be checked-out across from the Check-In table in the office of the Director of Women's and Children's Ministry.

**\* ALL AGES: Please have your pick-up tag at the end of service.  
We will match your tag with your child's tag upon check-out.**

## **Background Checks & Training**

Staff and Volunteers working with **Surfside KIDS** go through our Ministry Safe training and clear a state and federal background check. At SPC we train and prepare diligently to provide kind, excellent and Christ-centered care for your child. As always, we are ready and excited to answer any questions you may have!

## **Sheriff & Medic On Call**

Every Sunday we have local uniformed officer on site with us. You will also notice a seat in our sanctuary on the right side with a red banner over it. This seat is reserved for our Medic-On-Call. Our staff and volunteers carry two-way radios to communicate with one another during our services. These radios give us the ability to quickly mobilize and coordinate care if a need arises.
