

Sunday Mornings

First Service - We are excited to offer care for **Surfside KIDS** during our 9:30am service. Children ages 6 weeks - Kindergarten can be checked-in and taken to their classes. Children ages 1st - 5th Grade will be checked-in and grab a **Surfside KIDS** bulletin and head into our church service with their parents or caregivers. After about 20 minutes of service our pastor will dismiss 1st - 5th graders for Covenant Kids and an approved volunteer will meet the kids in the back of the sanctuary and escort them to class.

Second Service - We are excited to offer care for **Surfside KIDS** during our 11:00am service too! Children ages 6 weeks - Kindergarten can remain in care for both services or if you're just attending our 11:00am service children be checked-in and taken to their classes (6 weeks - Kindergarten). Children ages 1st - 5th Grade can be checked-in and dropped off at the elementary playground.

For New Mothers

We love the sounds of babies in church! Welcoming new families with infants is our delight. You are more than welcome to remain with your little one in our sanctuary throughout our service. If you have need, we offer The Respite Room, a quiet place for mothers of infants to feed and care for your little one during worship. When you enter the sanctuary you will notice a staircase on your right. Just up those stairs past the balcony seating you will find The Respite Room. During each of our worship services our smart TV will display a livestream so you won't miss out while tending to your little one.

Bulletins for Children

We offer care on Sunday morning for **Surfside KIDS** ages 6 weeks - 5th grade. If you prefer to have your family worship together you will find colored clipboards at Check-In so that your **Surfside KIDS** can follow along through our service by your side. For the safety of our **Surfside KIDS** we do ask that you still Check-In your children when you arrive on site even if you plan to remain together throughout our service. This policy is in place for the protection of our Surfside KIDS.
